

The Forest View

VIEWS FROM THE DESK OF...

Dear Employees:

It's hard to believe that summer is more than half over. Thanks to everyone who contributed to a very successful 4th of July event. I'm sure Lake Forest Day events will be just as successful – and hopefully the weather will be as nice as on the 4th. I know that a tremendous amount of work by so many of you goes into making these events seamless to the residents. Thank you for all your efforts!

You were recently asked to complete a survey on wellness. I hope you took the time to provide your feedback. Our Employee Wellness Committee will be looking at this feedback to begin formulating a program that will be of interest to the most employees possible. The goal is

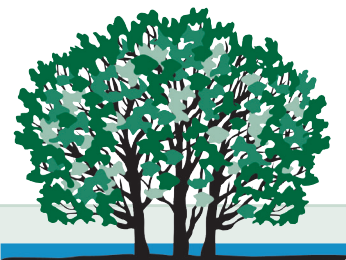

to enhance our well-being and health. The Committee hopes to offer programs of interest that promote ideas to help us make better choices in our diets, physical activities and ability to deal with life's stressors. The ultimate goal is to help us be healthier, in better shape, have fewer accidents, and control our insurance costs – something which benefits every one of us. They also hope to have some fun along the way!

Enjoy the rest of the summer!
